★★★★★ "I have seen many other dentists in my lifetime and after seeing Dr. Bach, I will go nowhere else! There isn't another office that provides the compassionate care that his whole team provides. From the time of the call for the appointment clear through the completed procedure, everyone was very compassionate and caring. I have and will continue to recommend *Watertown Dental Care* to anyone who needs a dentist." – **Tamara**

Maintain Your Smile

With our membership plan

At *Watertown Dental Care*, your optimal oral health is our first priority and we know that without employer-provided insurance, many families find regular dental care to be a financial burden. But, did you know that with regular preventive cleanings and the early detection of tooth decay, you could actually save money over the long run?

That's why we have an alternative to dental insurance. With your nominal monthly membership fee, you get preventive and diagnostic services (exams, x-rays, cleanings) at no cost, one emergency exam per year, and a 15% discount on all other needed treatment including cosmetic options! We even have a child's membership program and one for adults with gum disease.

Your oral health has a tremendous impact on your overall health, and we want you to have all of the advantages of a healthy and beautiful smile ... even if you don't have dental insurance.

★★★★★ "Everyone here is so kind and assures your comfort every time! I can't thank them enough for the outstanding care I have received! Thank you."
– **Lori K.**

UNLIKE INSURANCE, THERE ARE:

- No yearly maximums
- No deductibles
